UNITARIAN UNIVERSALIST FELLOWSHIP AT STONY BROOK

Parent Information for Children's Religious Education Program – 2010-2011

Parent Information: We welcome you to our Religious Education Program. You are welcome to stay with your child in Worship Circle and in their classroom for as long as it takes them to be comfortable without you. Regular attendance makes a real difference in your child's religious education. It helps your child establish friendships and provides a sense of continuity for students and leaders alike. In addition, if you will not be on the Fellowship premises while your child attends class, please let the class leader know. If you have a skill or talent to share, please let us know and/or volunteer. We invite you to participate in whatever ways you can. To learn about what is happening, both in the RE program and in the Fellowship, sign up for and read our newsletter, the e-Unicorn.

Registration: To register your child, simply fill out this form and return it to the RE office. Although you must register your child, registration does not obligate you to any fee. We are, however, a cooperative and parents /guardians are expected to share their time, talents and skills with the Fellowship community. We hope that non-teaching parents will assist in the classroom during the year, in addition to volunteering in some other area.

Children's classes: Classes begin at the same time as services (10:30am) and end at 11:30am, after snacks and clean up. Your children will attend classes with others in their age group (siblings may stay together at first if they wish).

Questions/Concerns?: If you have questions about the program or Unitarian Universalist religious education, or have concerns, please call Nancy Hunter (246-9801) or Michele Maggio (821-4219)

Thank you!
