

Lean on Me

[Verse 1]

Sometimes in our lives, we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow.

[Chorus]

Lean on me when you're not strong
And I'll be your friend
I'll help you carry on.
For it won't be long
'Til I'm gonna need
Somebody to lean on.

[Verse 2]

Please swallow your pride
If I have things you need to borrow
For no one can fill
Those of your needs
That you won't let show

[Bridge]

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

[Chorus] Lean on me...

[Bridge] You just call on me, brother...

[Verse 3]

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

[Outro]

Call me, Call me, Call me,
Can me, Call me, Call me
